

## Kit 2, Activity 1

Are you wondering if you have what it takes to be a successful entrepreneur? Do you have the ICT abilities to have a self-assessment survey ONLINE? Or are you more comfortable to fill in the paper-based one?

For computer based:

- Learners can use a self-assessment questionnaire to assess their competences. Translated in several languages, the questionnaires are accessible through an online platform:

<https://self.entrepreneurialskillspass.eu/ro-mo/user/login>

<http://www.entrepreneurialskillspass.eu/step-by-step/self-assessment.html>

- Time required: around 20-30 minutes.
- Online platform: Learners need to register and create an account before taking the first questionnaire. After a while the second one is available. They will be notified by email. Learners can download the Certificate of Achievement directly from the platform by the end of the process.

Have a look at the paper-based Survey.
