

**Activity 3 (computer-based, learning by doing, group work; reading, listening and speaking):** *How do we get there?*

Case study: ESCUELAB

[http://www.set2cil.tryavna.eu/casestudy/ESCUELAB\\_4.pdf](http://www.set2cil.tryavna.eu/casestudy/ESCUELAB_4.pdf)

Learning objective/s: Ensure learners' plans complement and maximise synergy with other business areas.

*Approximate time:* 1 h + **1h of independent work**

*Procedure/description:* a follow-up activity of 1 learning-by-doing task, intended for group work.

Learners will analyze the strengths and weaknesses of the Operational Plan of Escuelab (a Spanish enterprise). They will be encouraged to propose at least two improvements in a group discussion and discuss in relation to their own operational plans.
