

MODULE 4, Kit 1, Activity 3: Learning by doing

Task 1:

- Read the case study of Vratsa Software Community:
([http://set2clil.tryavna.eu/casestudy/Bulgaria Case Study 1 Vratsa Software.pdf](http://set2clil.tryavna.eu/casestudy/Bulgaria_Case_Study_1_Vratsa_Software.pdf))
Visit their web site and FB page for more information.

- Try to:

1. Identify their objectives

.....

2. Identify their stakeholders

.....

3. Describe how they measure if their activities achieve the outcomes needed
by their beneficiaries and stakeholders

.....

.....

4. Tell how often they report

.....

Task 2: Pair work (scaffolding Module 1, Kit 5)

Work in pairs to create a short questionnaire for a survey to assess how and if Vratsa Software Community is achieving their objectives. Decide who the surveyees will be?
