ePortfolio Section 1: Getting Started with your ePortfolio

This first section of the ePortfolio details your personal profile.

1. Personal details

Name:

[Insert profile picture]

2. SE Background

Describe your background/ experience of SE to date (suggested max. 50 words)

3. Motivation

Describe your 3 primary motivations for taking the SET2CLIL programme (suggested max. 50 words)

4. How I view Learning

Choose a quotation about learning which most closely represents your views on learning (suggested max. 30 words). *You will most likely have to search online for 'quotations about learning' and choose your favourite.*

You should complete all 4 sections at the beginning of your ePortfolio. It will be interesting for you to revisit your motivation for engaging in SET2CLIL as you progress through the programme. It will also be interesting to assess if your views on learning change over the course of the programme.
