

Module 5

Kit 1

Activity 2

ePortfolio Section 2: Digital Research Skills - Create a digital glossary on Social Entrepreneurship

This section allows you to compile a digital glossary of terms related to Social Entrepreneurship.

Trainer's Instructions

1. Introduce students to digital research skills using the powerpoint: Digital Research Skills
2. Support students in accessing their ePortfolio, instructing them to open section 2: Digital Glossary
3. Explain the purpose of a digital glossary, referring to the video on the ePortfolio.
4. Instruct students to access the digital glossary link in their ePortfolio and add the following words to their personal digital glossary:
 - a. Business
 - b. Entrepreneurship
 - c. Digital
 - d. Innovation
 - e. Plan
 - f. Stakeholder
5. Encourage students to listen to the pronunciation and repeat, if applicable.
6. Instruct students to add 3 more relevant words of their own choosing to their digital glossary.
