

TECHNOLOGY-ENHANCED
Social Entrepreneurship Training based on
Content and Language Integrated Learning

2015-1-BG01-KA202-014337

With the support of the **ERASMUS+ PROGRAMME** of the **European Union**

First Transnational SET2CLIL Project Meeting

SET2CLIL project or Technology-enhanced social entrepreneurship training based on content and language integrated learning is a Strategic Partnership under the Erasmus+ Programme in the field of vocational education and training. Project coordinator is **Infocenter EOOD**, Tryavna, Bulgaria. The partnership includes four European organizations from **Romania, Turkey, Spain and the Republic of Ireland**. It is a consortium of **an NGO, a girls' school, a consulting company, a teacher training college and a vocational training center**.

SET2CLIL project offers a **'3 in 1' innovative approach** - transnational European programme for the acquisition of **social entrepreneurship, digital competence and language skills** within a single course. Thus **saving** the main resource **training time** and ensuring the **acquisition of skills and competences valid in all European countries**.

On **9th-10th December 2015** the **first transnational project meeting** of the partners was held in Tryavna, Bulgaria. The **purpose** of the meeting was the discussion of issues related to the creation of the **final intellectual products - Curriculum, E-repository for training materials, Social Entrepreneurship Trainer Guide**.

The partners met the **mayor of Tryavna Mr. Doncho Zahariev** to present the project objectives and seek local authorities support.
